Re: Dallas' Training  
7mo. old Australian Shepherd

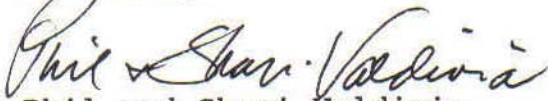

Dear Rochelle:

We'd like to thank you so much for all of your help and guidance in training us to train our dog/puppy. Since the very beginning of his training, we have noticed differences in his behavior and our home has become more comfortable and sane. He jumps on us less frequently. He will come when we call him. He will sit and stay on command. He is much easier to take for walks and go places where there are people. It is so much more pleasant to have a trained dog, so that you and your dog can be happy together.

Your kindness and consideration for dogs and their families made us feel very comfortable in having you as our trainer. The dogs really enjoyed you.

Again, thank you for your help and consideration. We look forward to training with you again.

Sincerely,

  
Phil and Shari Valdivia
