Animal Behavior & Training Associates  
Rochelle Spiegler

Dear Animal Behavior & Training Associates:

Our dog is named Pebbles and she is a 7 month old female cocker spaniel. My husband and I are very impressed with this course and Rochelle's teaching methods. She is an excellent teacher. Our puppy is learning & behaving better. I was so impressed with the way ~~back~~ Rochelle handled the puppies with special behavior problems. My husband, our puppy and I have all enjoyed the classes very much. They are so rewarding.

Sincerely,

Tom & Sherry Komonyi
