Re: Dog Training

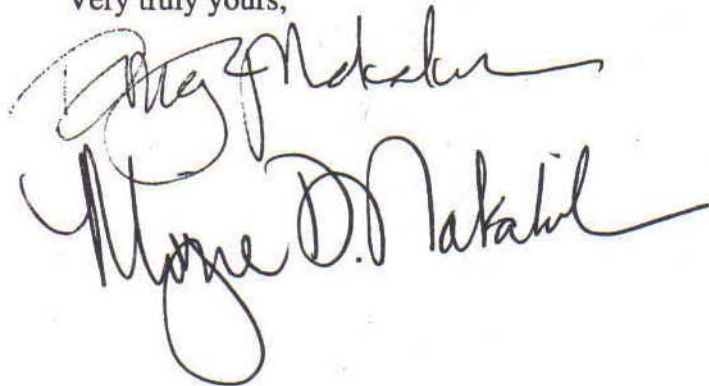

Dear Dr. Rabiner:

We just completed an eight-week course for Kiki (male Chow Chow, 8 years) and Abby (female Chow Chow, 7 years old) given by Animal behavior & Training Associates. Our trainer was Ms. Rochelle Spiegler.

As you know, we had been experiencing some dicipline problems with Kiki. Although the dogs are relatively old, we felt some sort of training was worth a shot. I am so glad we lucked into this class with Ms. Spiegler.

We found the curriculum to be just right for our dogs and Ms. Spiegler is a skilled and experienced instructor. She gave just the right balance of firmness and compassion, always trying to educate us in the dog's point of view. The improvement in both dogs has been phenomenal. This was an exceptional class and well worth the cost.

Very truly yours,
