Re: Hondo Mckenna
8 month, Male, Labrador

Dear Dr. Novie,

Hondo has just completed obedience classes through Animal Behavior and Training Associates sponsored by Parks and Recreation. The trainer was Rochelle Spiegler.

Hondo now knows on command how to heel, sit, come, and lay down. We are continuing our efforts on boundary, he is really coming along.

During this training session we were also able to improve on Hondo's dislike for the car. At the beginning of this class Hondo would not come within a ten foot perimeter of the car. He now walks right up to the door. Rochelle gave me instructions on how to teach Hondo to get into the car and not be afraid of it.

I believe that Hondo as well as myself enjoyed the eight weeks that we spent with Rochelle. She is patient, knowledgeable and very attentive to each dog (as well as each owner).

Not only would I recommend this class to everyone, I would also recommend Rochelle Spiegler as a trainer.

Kindest Personal Regards,

Michele J. Nelson
